

ADMIRAL STANSFIELD TURNER

17 January 1978

Dear Steve and Jane,

We hope to see you almost before this letter will arrive, but I really want to express thanks for the magnificent British Admiral's insignia that you sent for Christmas. As you well know, just the fact that it was your Dad's means so very much to both of us.

We do look forward to seeing you when we drop by Carmel to see those two grandsons of ours the first weekend in February.

Again, thanks and all the very best.

Yours,

STANSFIELD TURNER

Mr. and Mrs. Stephen Whitney
